# IPP Benefits

---

Saves taxpayer dollars

Improves financial management

Makes it easier to conduct business

# Saves Taxpayer Dollars

---

## **Saves money**

- Available at no charge to you and your vendors
- Helps you avoid Prompt Payment penalties and capture early payment discounts

## **Saves time**

- You don't have to manually handle paper invoices
- Frees your staff from data entry, error correction and reconciliation
- Reduces phone calls and e-mails from vendors

# Improves Your Financial Management

---

- Increased controls help you avoid improper payments and prevent overbilling
- Let's you use fewer resources to comply with the Prompt Payment Act
- Promotes standard process to manage government invoices
- Supports Treasury and OMB initiatives, such as the Shared First
- Complies with relevant Federal standards (e.g. FAR) requirements

# Makes it Easier to Conduct Business

---

- Provides a consolidated view of all transactions in one place
- Supports your agency's business rules
- Compatible with your existing business systems
- Controls vendor access to transactions with a secure platform outside your core financial system

**“Using IPP is like moving from paper checks to online banking—federal agencies can pay invoices faster using fewer resources.”**

*– Sheryl Morrow, Commissioner,  
Bureau of the Fiscal Service  
U.S. Treasury Department*

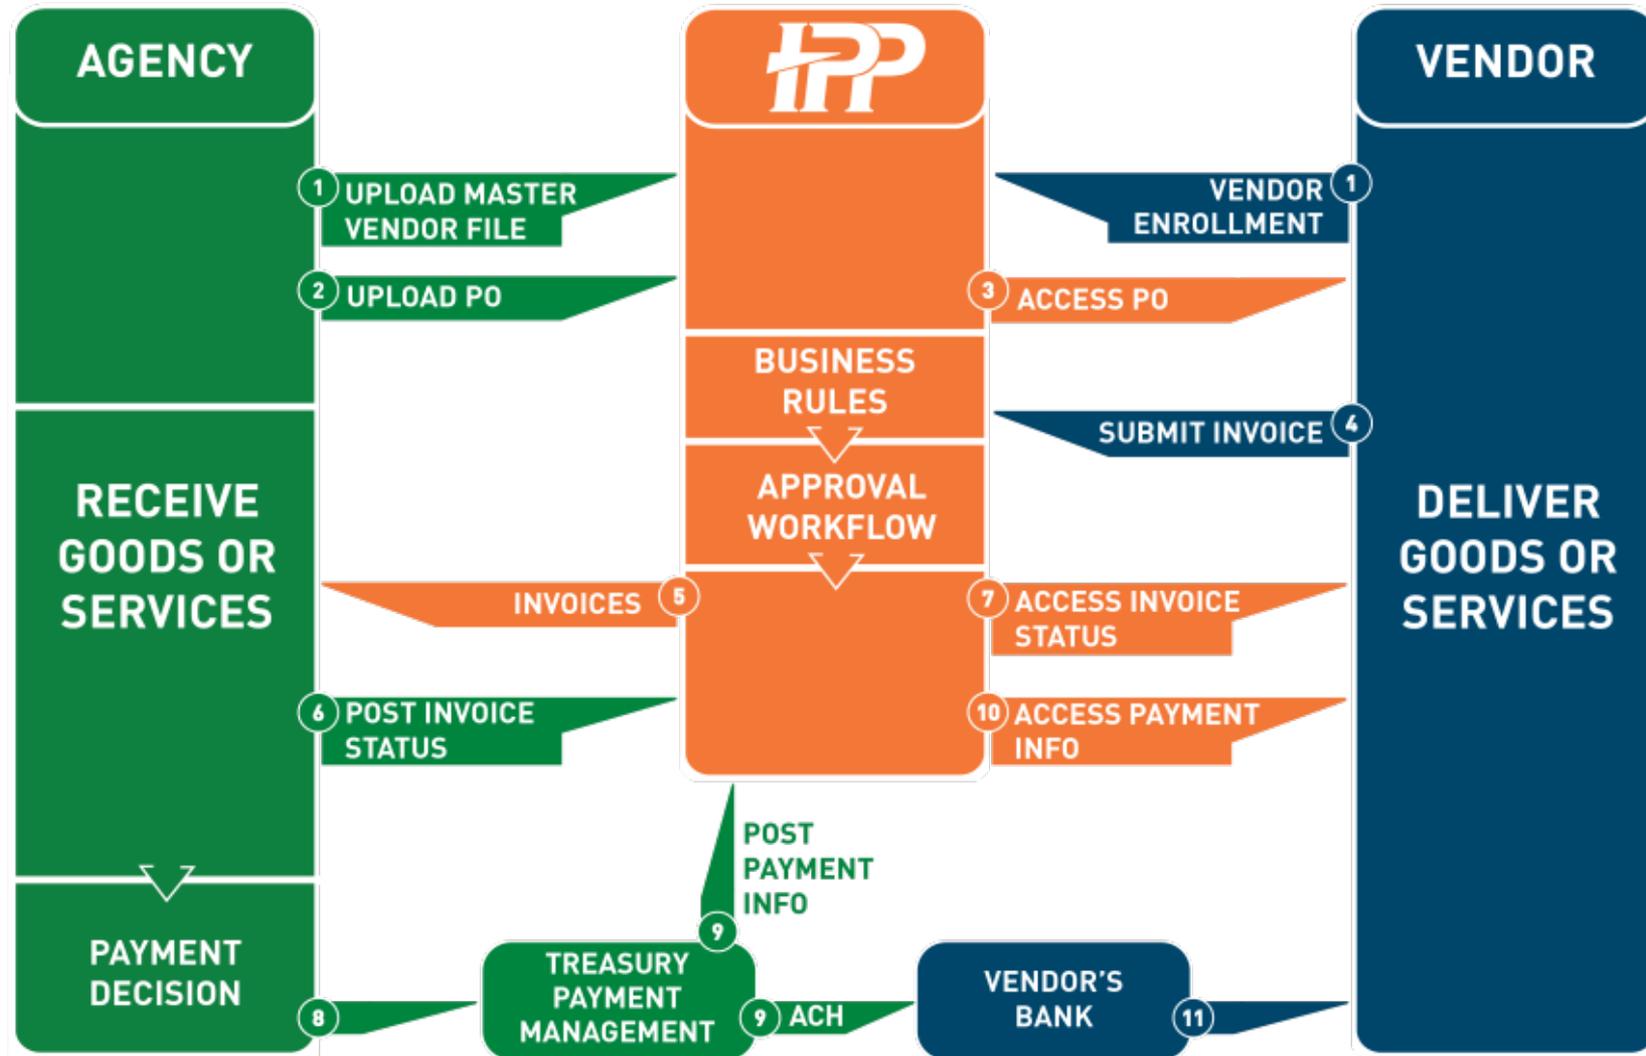

# IPP Features

---

## **Processes transactions between agencies and vendors from Purchase Order through Payment Notifications**

- Accepts uploads of purchase orders and allows vendors to create invoices
- Uses agency defined business rules to screen invoices
- Workflow for invoice approval available
- Enables email notifications between agency and vendors
- Retains associations between POs, invoices and payment information
- Interfaces with agency systems via batch data imports/exports
- Presents remittance data (Payment Notifications) to vendors, including Treasury offset information

# IPP Information Flow

# Considerations

---

- Used with commercial vendors receiving payments
- Shares a central vendor directory across agencies
